EXPERIENCE

Harvard Library, Web Designer & Developer, July 2013 – present
- Provided graphic design and front-end Drupal development for Harvard Library websites.
- Designed responsive, masonry-style site celebrating the centennial of Widener Library.
- Designed and developed templates for responsive HTML emails.
- Built stand-alone applications in PHP.

Harvard Office for Scholarly Communication, Coordinator, Nov 2008 – July 2013
- Conducted outreach to Harvard faculty, librarians, and students on issues related to authors' rights, open access, and self-archiving.
- Rapidly developed and deployed websites for the Harvard Library using the Drupal CMS.
- Managed DASH, Harvard's open-access digital repository.
- Designed print materials and produced videos and screencasts.

***Printer's Devil Review**,* Founding Editor, Nov 2010 – Sep 2015 (self-employed)
- Founded open-access literary journal of fiction, nonfiction, poetry, and visual arts.
- Managed editorial process, ensuring that each issue was published on schedule.
- Built, motivated, and coordinated a team of volunteer section editors.
- Developed and maintained the magazine's visual identity in print and online.

Supreme Court of Ohio, Special Programs Officer, Nov 2004 – Dec 2007
- Managed the court's program for licensing attorneys from other jurisdictions.
- Managed the Board of Bar Examiners' program for providing special exam accommodations to applicants with disabilities.

SKILLS

**Applications &
Frameworks:**

Adobe Creative Suite
Axure RP
Bootstrap
Drupal (6.x – 8.x)
Foundation
Git
Wordpress

Languages:

HTML, XHTML, HTML5
CSS, SASS
JavaScript, JQuery
PHP
MySQL

Improving–
Python
Symfony

Additional Skills:

Print Design
Digital Media Production

And when I'm not doing the above, I write fiction, take photos, blog about technology, and produce sound pieces.
